24. Wild card

#### B) *Format:*

The 24 boys are divided into four groups. Each player first plays five matches in his group. After the group matches, the four group winners play to become winner, runner-up, number 3 and number 4. The same applies for the four players who became number 2, the four players who became number 3 etc... Each player plays seven matches, and at the end of the tournament you can see who is number 1, 2, 3 ..... 20, 24.

#### C) *Groups:*

- Group I: to be formed.
- Group II: to be formed.
- Group III: to be formed.
- Group IV: to be formed.

18. Wild card

### B) *Format:*

The 18 girls are divided into six groups. Each player first plays two matches in her group. After the group matches, we make new groups: two groups with number 1, two groups with number 2, and two groups with number 3. After these matches the winners of the number 1 group plays against each other, the number 2 group plays against each other, and so on... At the end, we have the number 1, 2, 3 ..... 18.

### C) *Groups:*

#### A) *Groups:*

- Group I: to be formed.
- Group II: to be formed.
- Group III: to be formed.
- Group IV: to be formed.
- Group V: to be formed.
- Group VI: to be formed.
